The Varsity track team came through with a great performance for 1976. Their dual meet record was 6 wins and 2 loses, finishing second in both the conference and regional meets. Other highlights of the season were, winning the Bedford Invitational and taking runner-up honors at the Wayne Memorial Invitational.

Adrian also qualified five individuals for the State Meet. They were Dan Heikkinen, Jim Miller, Willie Taylor, Tom Melnik, and Chuck Durst.

During the season, three Varsity records were tied or broken with Dan Heikkinen breaking 2 miles in 9:34.4, Tom Melnik running the high hurdles in 14.3 and Paul Lanczki trying the high jump mark at 6'4".

It was truly a great season for the Adrian High track team.

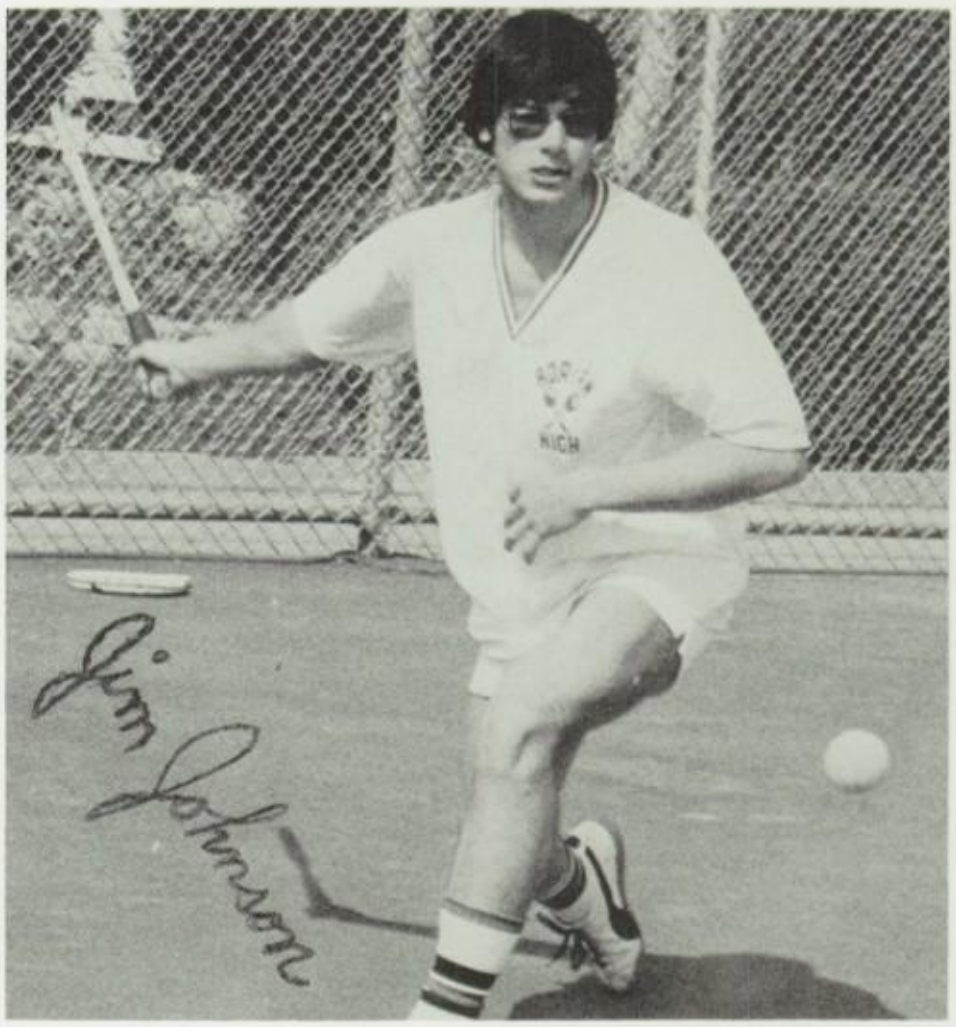
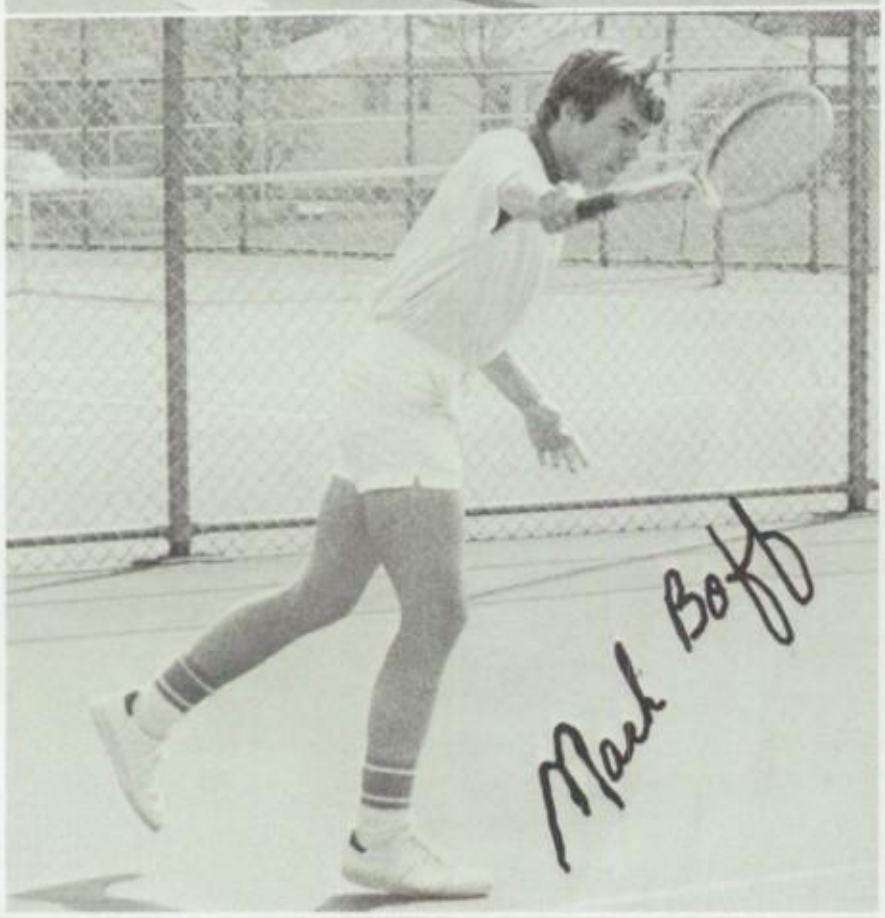
After winning their first 3 games and tying for first place in the Conference, Adrian's 1976 Baseball Team completed their season with an overall 8-12 record. Nevertheless, their 4-6 SCC record earned them a third place. The Maple team came on strong and won the first 6 of 7 games, but then seemed to let it slide. Seniors on the team were Most Improved Player — Mark Wilson, Co-Captain — Jeff Cochran, Mark Dunny, Dave Gagnon, Ric Muck, Coaches Award receiver Jim Cottrell, Chuck Schwartz and Most Valuable Player and Co-Captain — Wayland Echelbarger. Named to the first team, All-League were Designated hitter — Wayland Exhelbarger and Second Baseman — Dave Gagnon. The baseball team will miss these eight talented players, but with five starters still coming back and a strong JV team, an even better season is expected in '77.

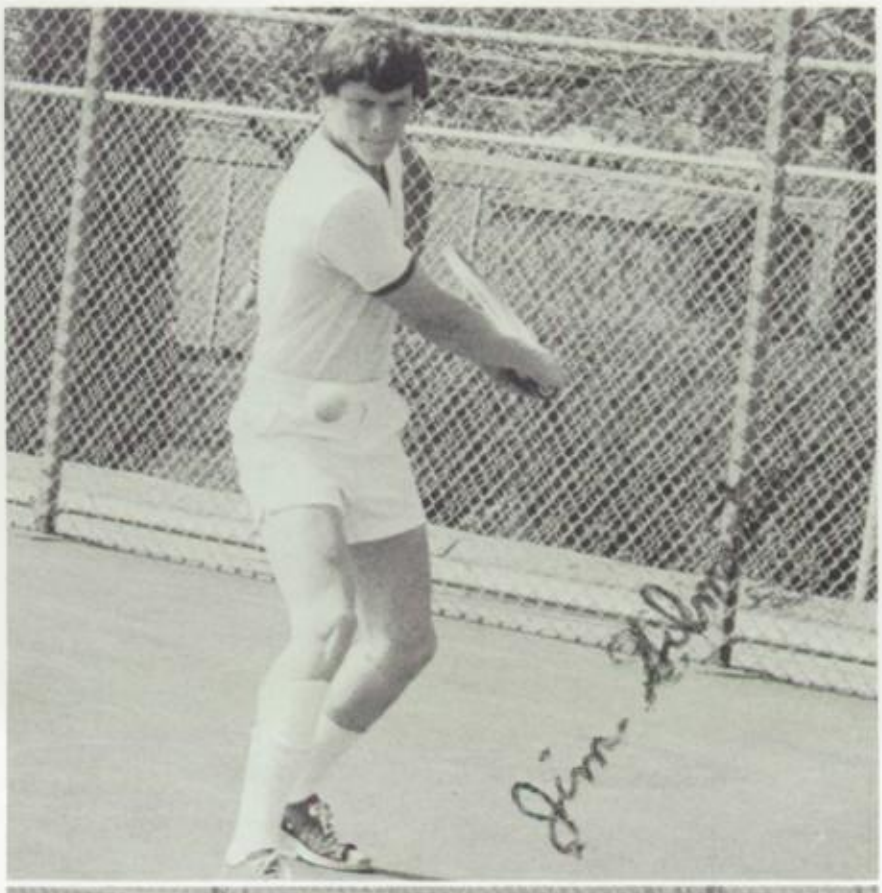
Tennis Team Aces

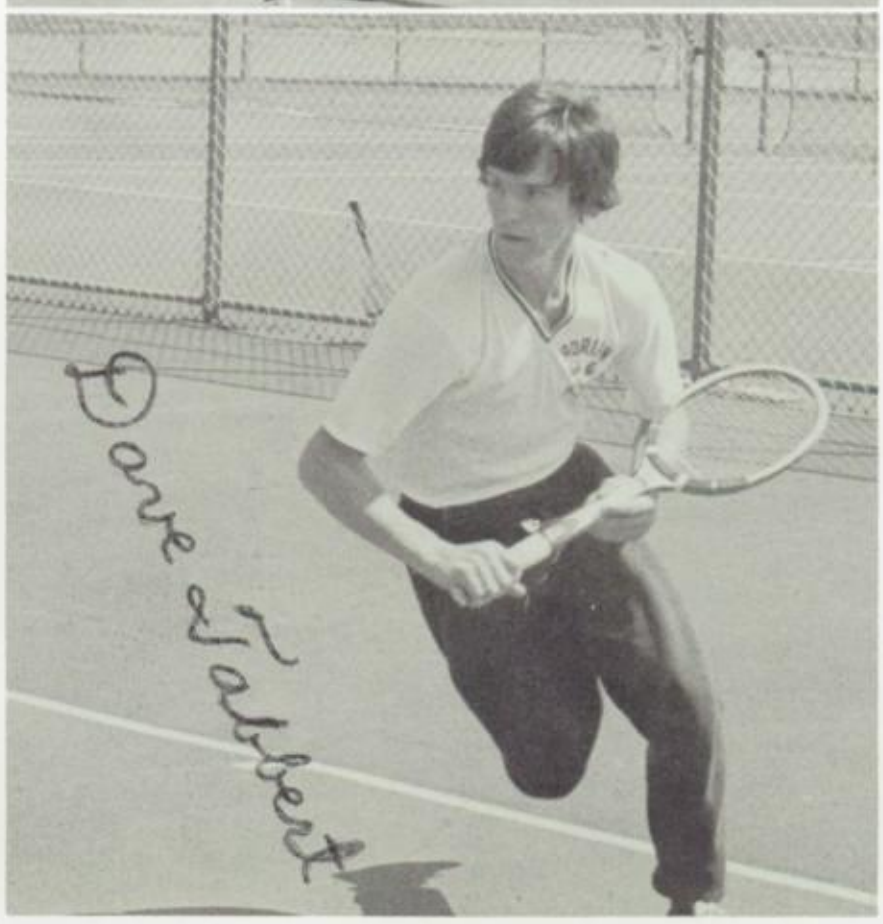




This year's team will lose seven seniors, but they do have five returning lettermen which will help Coach Means out considerably. Pictured in the shot above are, STANDING, LEFT TO RIGHT: Andy Fishman, Mgr. Jim Johnson, Jim Gilmartin, Bill Fox, Brian Timko, Stan Plate, Dan Locke, Mark Boff, Dave Tabbert, Coach Sonny Means. KNEELING: Clay Creps, Bill Reid, Brian Nofzinger, Chris Britten, and Ray Gale. PICTURED AT THE LEFT ARE: Ray Gale, Clay Creps, Brian Nofzinger, Bill Reid, and Chris Britten.

Their Opponents





The Adrian Tennis team competed in a very tough league this year consisting of state champ Ypsilanti, Ann Arbor Huron, Ann Arbor Pioneer, Jackson Parkside and Jackson High. This years team was very strong in singles with Jim Johnson, Brian Timko, and Bill Reid all having equal ability. The fourth singles position was filled by one of the following players: Ray Gale, Chris Britten, Jim Gilmartin, or Dave Tabbert. When not playing singles, three of these people plus the following played doubles: Stan Plate, Dan Locke, Mark Boff, Clay Creps, Brian Nofzinger, and Jamie Locke. Adrian would have had a much better record this year if they hadn't played against such top notch teams.

I asked her why she ran
To win, she said
So long?
So hard?
So fast?
I run to win, I run . . .
'till my throat burns,
my stomach knots,
my legs stiffen,
I run long and hard,
and fast but any less
would be a walk,
An invitation . . .

The 1976 Girls Track season holds many memories: the SCC Championship title, a girls whirlpool, another undefeated season (9-0), "Kenny," 6:00 A.M. practices (complete with icy cold showers), and Runner-Up trophies from two Invitationals. With a lot of desire and dedication, the girls kept the Adrian tradition of an undefeated season in dual and triangular meets bringing the record to 31 straight wins. In Invitationals, they placed 8th in Blade Relays, Runner-Up Champs in Stafford Relays and Lassie Relays, 5th in Regionals and solely taking the SCC Championship.

Qualifying for the state meet by placing 3rd or higher in regionals were: Margaret Munro in Discus, Lisa Means in high jump, Angie Hammerstein in the 1 mile. The 880 yd. relay team was composed of: Charlotte Gagnon, Nancy Seiple, Becky Becker and the 440 yd. relay team was composed of: Jones, Becker, Dressler, and Seiple. Lisa tied for fith place in the State Meet. Honors given out during the season were as follows: Amanda Thomas — Captain, Linda Husband — J.V. Captain, Nancy Seiple — "Most Valuable," Elaine Hearn — "Most Improved," Janet Easter — "Most Dedicated," Margreta Cassanova — "Coaches Award," and Nancy Seiple — "Highest Scorer." Although there were few seniors on the team, they will be missed by next years team. They are: Capt. Amanda Thomas, Margaret Munro, Becky Goddard, and Pam Bishop.

This year in golf the linksmen took 6th place in the finals. All the teams that they played were tough, but coach McDevitt thinks that Ann Arbor Pioneer was the hardest team they played. The biggest downfall was that the team was not experienced in league competition, however, Coach McDevitt is confident that next years season record will improve with experience to back it. Steve Vickery was elected Most-Valuable player.

The 1976 girls varsity swim team, led by co-captains Janice Miceli and Marty Walper, had a season record of 7 wins and 5 losses. The girls proceeded to break ten records and improved greatly over last year.

Qualifying for the consolation finals were: Kendra Keller, Marianne Rutter, Michelle Dressler, Sandra Oprsal, and Kathy Mobus.

Placing for the finals were: Emily Aldrich, Kendra Keller, Julie Clemes, Sue Brown, Debbie Entinger, Tara Kenney, and Diane Entinger.

At the Fall Sport banquet, various team members were honored for their contribution to the team. Kendra Keller was named Most-Valuable. Kathy Mobus was awarded Most-Improved swimmer. Julie Clemes and Sue Brown were co-receivers of the Coaches Award.

With conditioning starting early in August, the girls should have an even better season next year.

Tankers

Make Waves

This year the Maple Tankers were lead by their co-captains Scott Becker and Scott Baily.

The team gained a considerable number of new members which accounted for their extra and dependable strength.

The Tankers began their year with thirteen seniors, a number of juniors and some exceptional sophomores.

The coaching of our swimmers was done by Lewis Michaud.

Exceptional skill and talent was shown in this years diving competition. Leading our Tankers through this event was co-captain Scott Baily along with Craig Wallace and Russ Quigley.

Being a fairly new team in the South Central Conference, Adrian has done well.

This year in Cross Country, Jackson High was the hardest team to defeat because they were an older team and our team was basically composed of new members. Jimmy Miller improved the most and became the most valuable runner. All the home meets were held at the Center View Golf Course, but next year they are going to run at the City Park behind S & H Fleet Supply on M50. They took second place in the SCC Conference. They ran against three new schools, John Glenn, Belleville, and Jackson Northwest. Next year they aren't going to compete against Hillsdale. Co-captains for the year were Tim Wolf and Cliff Pounders. They will be losing three graduating Seniors; Cliff Pounders, Tom Michaud, and Tim Wolf, however, they are confident that next year they will have a good season with experience to back it.

SEASON WITH NEW COACHES

The 1976-1977 girls volleyball team, under a new coach, had a great season. The team combined better team-work with a more positive attitude to improve their game. Mrs. Smith's enthusiasm and energetic spirit helped spur the girls on to victory. The Maple Netters took the Conference title with a 9-1 record. Their overall record was 13-6. Next year Mrs. Smith is looking forward to a good season since there will be 7 returning Juniors.

The Maples were led by two returning SCC-All-Conference team members, Becky Burtless and Charlotte Gagnon. Charlotte Gagnon also served as co-captain with Nancy Seiple, whose defensive hustle sported the team to numerous victories as they ended their regular season with a 14-3 record including two victories over Lenawee County rival, Tecumseh. Becky Burtless and Becky Becker were chosen by their teammates as the Ideal Teammate and Most-Improved Player. The highest honor, Most-Valuable Player, was awarded to Charlotte Gagnon.

MAPLE WRESTLERS SWEEP THE MATS

Our wrestling program is one of the finest programs in the state, and because of this, they have won all of their dual meets since 1972, and have placed in the top 10 in state for the last 7 years. They have also won 5 conference championships in a row.

This years wrestlers were 2nd in the district, 3rd in regional, and 5th in state. If there hadn't been so many injuries they could have placed higher in state.

Placing in state were; Jeff Davis, who was 2nd, wrestling at 165, Mike Leedy, 4th, wrestling at 132, and Dave Rodriquez, also 4th, wrestling at 119.

They were League champions with 212 points, which is a new record. There were 10 wrestlers in the final which is also a new record. The champions were; Jeff Jarboe, at 98, Terry Walker, at 105, Andy Novak, at 112, Dave Rodriquez, at 119, Mike Abraham, at 145, Jeff Davis, at 165, Dave Smith, at 178, and Ric Aranda, at Heavy Weight.

The District winners were, Terry Walker, at 105, Andy Novak, at 112, Dave Rodriquez, at 119, Mike Leedy, at 132, Craig Britten, at 145, Jeff Davis, at 165, Dave Smith, at 178, Bruce Campbell, at 191, and Ric Aranda at Heavy Weight.

The State qualifiers were; Terry Walker — 1st place at 105, Dave Rodriquez — 1st place, at 119, Jeff Davis — 1st place, at 165. Runner-up was Bruce Campbell, at 191, and 3rd place was Mike Leedy, at 132.

Mike Abraham was unable to compete in State competition due to injuries. After the season he was invited to the Champion of Champions tournament, where all the state champions competed (A,B,C, and D). Mike won this and was declared Champion of Champions (in 145 weight class).

This years team is losing a lot of very good senior wrestlers. The J.V. team was filled with some good underclass talent. Most of these younger wrestlers could have wrestled on most of the other teams in our league. Hopefully, this summer and fall these young wrestlers will work hard to fill the varsity line-up and continue the fine tradition of Maple Wrestling.

We had a stronger team than in previous years, but every other team was stronger, too. The season record was 6-7, which was better than last year, but not as good as we had expected. Adrian placed sixth out of thirteen schools in a tough Regionals, with Linda Husband, Amy Gilmartin, Carol Misseldine and Beth Dodd reaching semi-finals. Jan Wagley was voted the Most Valuable Player and Linda Husband was awarded Most Improved Player. The team will miss the Seniors next year: Jan Wagley, Sally Xavier, Jean Schwartz, Carol Misseldine, Ann Boff, Jan West, and Joyce Faulhaber.

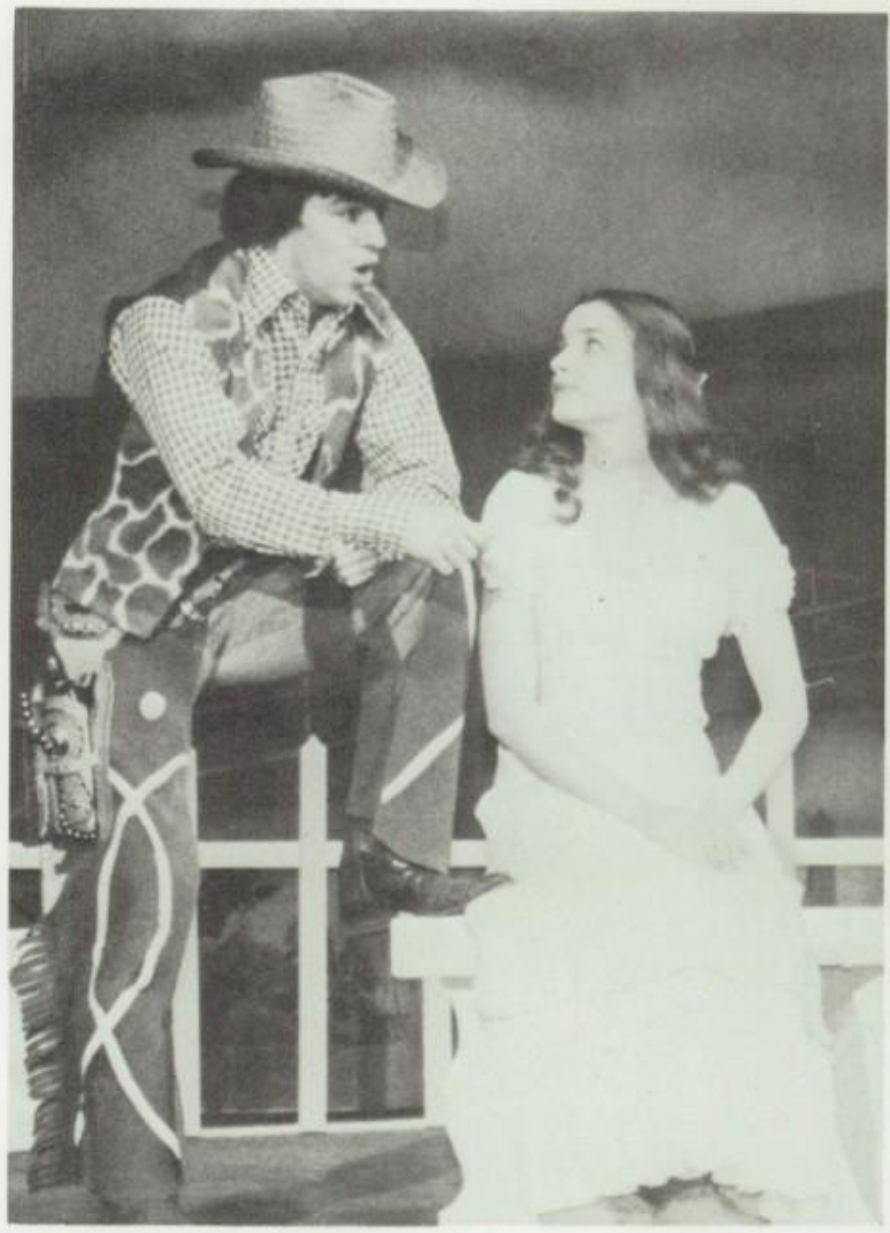
OKLAHOMA A



Oklahoma, under the direction of Miss Kathy Spacht was presented at the Croswell on April 1, 2, and 3. Choreography was done by Jim Peters and Sylvia Wendrow. The Orchestra was directed by Richard Barber, Vocal direction by Wayne Shaw, and Technical direction by Terry Hissong.

The story takes place at the time when the west was being settled, and Oklahoma was becoming a territory. The story is centered around Laurey, a simple, naive farm girl who toys around with the idea of romance. She leads Jud on, a farm hand, while all the time she really feels for Curly, a local cowboy. A conflict develops between the two men, resulting in a fight and finally the death of Jud. Curly and Laurey then get married and, of course, live happily ever after in their new territory.

UPPER RIGHT: Curly tells Laurey about his surrey with the fringe on the top. LOWER RIGHT: Will and the boys check out the pretty pictures. LOWER LEFT: Curly and Jud discuss Jud's funeral.

POETRY

No Destination

Drifting with no destination,
While the great red ball
Begins to rest.
Daydreaming commences.
Trying to calm the rippling
Water with my palm,
The blue ribs beat on
Persisting to the shore.
The fiery rays heave down,
Only to dance, cool off,
And be cast back up
Again to the hot sky.

Tina Rossi

Glinting, glistening, the snow
is an ocean of tiny mirrors,
reflecting waves of light
washing against my face.
A wind raises a foam of flakes,
whirling in a halo of white.

Jim Skufis

The winter snow
and the coughing factory snow
clogged
the brightness
of the awakening
sun.
Like a lemon drop,
wan and pale
covered with
pink cellophane,
being licked by
foggy winters
icy, gray
tongue.

Sally Xavier

The silent sun rises above the horizon
The birds sing the sweet song of dawn
Slowly lights appear along the city streets
A new day is born.

Joyce Koehn

Golden Scarlet Autumn

Carelessly
to
the
ground
only
to
be
shuffled
by
the crisp
cool
October breezes.
The smell of burning brush
lingers . . . lingers subtly in the brittle air,
and
sweaters are donned to shun the
harshness of
Omnipotent
Mother
Nature.

Terry Keeley

Pressure

My Mind,
A hunters bowstring — taut,
ready to spring with strength and speed,
A little more tension and
snap.

Memory

A burning candle
of the past
brightly
ever glowing.
The star
that never fades
as it embraces
the warmth
of visions
of yesterday.

Insecurity

No pat on the back
Slammed doors shut,
Harsh, sharp cutting words
Cause a child's insecure
Feelings, like a fire,
To flicker faintly
Then blaze like a roaring
inferno.

With deep held breath
and quivering hand,
part the green-needle cloak
to unveil the infant chick

Scott Becker

It comes on
slowly, silently, invisible.
It stays only a moment
then moves on.
It steals only one
but robs from many,
leaving us to wonder
"Why to me?"
Cold, hard,
I wonder what kind of
person
Death would be

Jan Wagley

A peaceful time of day is when shadows stretch and become tall dark giants, mimicking my movements. The last rays of light caress my face and paint the sky with vivid scarlet fire The mothers call in the reluctant young children to wash off the day's fun from their earth-brown bodies. Crickets chirp farewell only to be scolded by twitering birds who've long since tucked their own young in. Twinkling stars poke the serene night sky to remind me that its their turn to keep vigil over the world.

Through To January

The winter months, cold and busy, included a long list of activities. The relief of the end of the first marking period melted into the beginning of new sports, the all school play and finally Thanksgiving vacation. The bloodmobile was held in the library on December 3, and proved to be the most successful yet. Christmas quickly approaching, the yearly formal, organized by the Sub-Deb Club, was held on a snowy Saturday evening, the 13th of Dec. The Christmas spirit was stirred by classroom competition of lobby decorating. The seniors finished 1st! A Christmas assembly was presented by the musical department on Dec. 20 and the long awaited vacation began.

AN INSPECTOR CALLS

On Nov. 17 & 18, the all school play was presented at the Croswell Opera House. The play concerns an Inspector Goole who comes to the Birling household in Brumley, England about the suicide of a young woman. As the plot reveals itself, we find that each member of the Birling family has been involved and contributed in some way to the women's unhappiness and eventual suicide.

When everyone has confessed to their "crimes" against this women, the inspector leaves. Then Mr. & Mrs. Birling and Gerald Croft (their daughter's fiance) question the situation. Were they all talking about the same woman since each knew her by a different name? Was the inspector really an inspector? Had a girl really committed suicide that day? Upon several phone calls it is discovered that no one had committed suicide nor was there any Inspector Goole on the police force. It had all been a hoax.

Only Shelia and Eric her brother seem to realize that it doesn't make any difference. They should all feel sorry for what they had confessed to and be thankful that no one had committed suicide. While the parents are laughing the whole matter off, the phone rings — it's the police station. A girl has committed suicide and thay are sending an inspector over to ask some questions.

Le Cercle Français

Le Cercle Francais (The French Club) consists of a group of French-speaking students interested in being more exposed to the language and culture of the French people. Our main purpose and goal is to take a trip to the two French-speaking Canadian cities; Montreal and Quebec. The French Club will leave after school on May 18 and return on Sun., May 22. Some of the activities we will be involved in are attending a play or baseball game and visiting Notre Dame Cathedral, Expo, Le Chateau Frontenac, Olympic Village, Ursuline Convent, and greater Montreal and Quebec. Some future plans of the club are visiting Paris in the spring of 1978 and also seeing more plays written by French playwrights.

We've talked & laughed together,
We've enjoyed the self same things,
We've known the happy feeling
True understanding brings.
And with all my heart I'm hoping
That whatever God may send you
Throughout the years that lie ahead
We'll all remain close friends.

SOPHOMORES CLOWN AROUND!

And you run and run to catch the sun, but it's sinking
And racing around to come up behind you again
The sun is the same in the relative way, but you're older
And shorter of breath and one day closer to death

JUNIORS ARE DEVILISH!

Every year is getting shorter, never seem
to find the time
Plans that either come to naught or half a
page of scribbled lines
Hanging on in quiet desperation is the
English way
The time is gone the song is over, thought
I'd something more to say.

-Pink Floyd

CONGRATULATIONS SENIORS!!

You've made it! As you look back over the time spent at A.H.S., can you believe that you have
— used approximately 45,000 sheets of paper
— worn out 90 pencils
— crammed for 450 tests
— spent 973 hours studying for tests
— wasted $427.00 for school lunches, (add extra for McDonalds, Pizza Inn and Rossi's)
— suffered through 40 teachers plus a handful of substitutes
— been to the counselors office at least 23 times for schedual changes
— visited Mr. Kerekes office as little as possible
— yelled at 47 football games and bought enough hot chocolate to fill a bathtub
— participated in 20 pep assemblies
— watched enough basketball, wrestling, swimming, and tennis to last the rest of your life
— spent 12 years in the school system
— or 108 months
— or 432 weeks
— and all in all, 3160 days in school
— which is about 360 times longer than it took God create a new world from scratch . . . .

Go thou and do likewise!

To all the seniors of this bicentennial year:
The day you have waited for is very near.
You have toiled and struggled with every educational tool.
My goodness, it seems good to be out of school.

You are overflowing with knowledge,
You have learned thru the years.
But for most it will mean college,
With its parties and beer.

Oh, the fun you will have
And the friends you will make.
Is it all worth it —
These exams you must take?

But, my how quickly the time does pass,
Now you've found a job and are working at last.
You have worked so hard to acquire an education,
Why didn't someone tell you "there are no vacations".

But jobs are hard and you work day and night,
There is no rest anywhere in sight.
Oh, where are those days of yesteryear,
When a person could study and relax with a beer?

Where are the days when I was "young and cool"?
I wish I could return — to the days spent in school.

As you come to grips with the realities of life in the next few years, you undoubtedly will be faced with making decisions which will bring you happiness, success, deep satisfaction, and great joy. Then too, other decisions you make will result in personal sorrow, bring disappointment and bitter pain in to your life, as well as make you regret them times over.

But, in spite of everything and everyone, you will survive!! To what degree is entirely up to you and the attitude you take in coping with society's many "rules, pressures, regulations, injustices," and your ability to face life as it really is.

Success can be measured in many ways, whether it be to simply gain the admiration and respect of your fellow man or to reach the pinnacle of life in Business, Politics, Medicine, Law, etc. The choice is yours, now you must decide how far and how fast, what price you're willing to pay, and how dedicated you are in your convictions, in order to reach your goal and then with God's help and lots of luck, you just might make it!!! You'll never know unless you try . . . .
